New Business (Not a Public Hearing)

A. CA 21-355

Application by **ANTHONY GARZA** for a **CERTIFICATE OF APPROPRIATENESS** for a rooftop bar and storefront alterations at 734 S. Main Street. (TM# 007000-02-01300).

Mr. Rutherford provided the staff report to the board. Staff recommends approval with conditions.

Applicant Anthony Garza presented the project and discussed the doors and pergola

Board asked about the glazing on the glass in report vs the rendering photos and applicant is open to changing the glazing. Board asked about emergency staircase materials and applicant responded that it is made of fire-resistant wood and commented willingness to modify if fire department requires. Mr. Edwards asked the applicant if entry doors are recessed, what would the revised layout be with elevator? Applicant discussed a more urban material like a vinyl fence system

There was no Public Comment.

The Board discussed the project and commented the vinyl screening material is more of a residential not urban and recommends steel. Ms. Fontaine noted there are many prefabricated metal screens that may be an option. The board asked whether there any requirement on the transparency on elevator? Staff answered in the affirmative. The elevator must be moved to accommodate the inner stair. Board agrees that enough issues are coming up and wishes this to come back to the Board with a deferral.

Mr. Graham states staff agrees.

The Board also wishes to hear what Fire has to say about the stairs and advises for deferral.

Applicant requests deferral.

Mr. Lehde made the motion to defer. Motion seconded by Mr. Edwards. The motion passed 5-0
