

City of Greenville, South Carolina

INTENT TO AWARD

November 12, 2021

Re: Invitation for Bids No. 22-3787 – Reedy River Streambank Stabilization

The City of Greenville would like to thank all vendors who submitted bids for the above-mentioned project. In accordance with City policies and the above IFB, this communication serves as notice of intent to award.

After careful review of all bids based on the established and published criteria, approval has been received to award the contract to Shamrock Environmental Corporation. Final contract award is subject to approvals from all parties.

The City of Greenville greatly appreciates your interest and hope you continue to review all potential business opportunities with us.

Sincerely,

Maribel Diaz
